

contour

wall panels & louvers

/uno

9.75 x 115 x 3050mm

form meets design

architecture

improving your design

not just walls. stories in contour.

some walls stand still—
others breathe.

presenting a collection that curves, glides, and whispers luxury:

contour wall panels.

not assembled. sculpted.

where form waltzes with design, and shadows slip like silk across carved waves.

each panel— a rhythm paused mid-motion, an echo of elegance in your space.

we don't cover surfaces—**we compose them.**

crafted from handpicked materials, these panels don't shout—they linger.

a soft presence, like the memory of scent. for those who crave texture that speaks.

for spaces meant for poetry in groove and grain.

this isn't design.

it's a performance on your walls.

why choose contour wall panels?

sculpted aesthetics

each panel is a composition in motion—flowing lines that bend light and shadow, creating a living surface. contour panels bring an element of visual rhythm, transforming flat walls into sculptural features that breathe with grace and style, making every glance feel like a moment of discovery.

premium materials

crafted with precision from high-grade materials, contour panels promise lasting beauty and structural integrity. every panel carries the richness of texture and depth, designed to age gracefully. it's more than just luxury—it's the confidence of quality you can see, feel, and trust over time.

statement-making

in a world of sameness, contour panels stand apart. whether it's a bold feature wall or a subtle backdrop, they speak volumes without noise. perfect for spaces that deserve personality, presence, and that one unforgettable detail that sparks conversation and sets the tone.

versatile design

modern, classic, minimal, or eclectic—contour panels adapt with effortless charm. their neutral palette and flowing forms complement a range of styles and settings, from residential sanctuaries to bold commercial interiors. flexibility never looked this refined or felt this easy.

effortless elegance

true elegance whispers. contour panels deliver that delicate balance—sophistication without ostentation. with every curve and contour, they invite calm, elevate mood, and create a quiet kind of luxury that stays with you. it's not just about looking good—it's about feeling right.

contour is a decorative product for walls & ceilings, composed of mdf and a decorative foil.

dimensions - 3050 x 115 x ~18 mm | area per panel: 3.77 ft² | packaging - 6 panels/pack

Characteristics	Norm	Value
Core	-	MDF
MDF Density	IS 12406 2021	>750 kgs/m ³
MDF Moisture Content	IS 12406 2021	6.98%
Linear Expansion Thickness Swelling	IS 12406 2021	8% after 24 hrs. soaking
Modulus of Rupture	IS 12406 2021	>27 N/mm ²
Internal bond	IS 12406 2021	>0.75 N/mm ²
Glue <small>*Kleiberit, Germany Neotherm, Spain</small>	-	PUR Hotmelt
Glue Heat Resistance <small>*Kleiberit, Germany Neotherm, Spain</small>	-	>150°C
Surface	-	PP/PVC Foil
Foil Thickness	-	140/160 microns
Peel Strength	UNE EN ISO 9142:2004 Part D5	0.50 N/mm
Foil Chemical Resistance	DIN 68861/1	Class 1 C
Abrasion Resistance	Taber abrasor CS10	min 400 turns
Foil Light Fastness	DIN EN ISO 4892-2	≥6
NRC <small>[Octave Center Frequency 250-4000 Hz]</small>	ASTM C 423	0.6

maintenance

This product is not suitable for outdoor use. Do not apply on walls or environments with excessive humidity. The cleaning of the product must be done dry or with a cloth slightly moistened with water. Do not use aggressive chemical products that contain alcohol, acetone, ammonia, which can cause significant degradation of the surface. Avoid contact with oily products as it can cause stains on the decoration. Do not expose to temperatures above 50°C (such as radiators, stoves, light bulbs, etc.)
