Pine

150007

Mulberry
150008

The image shows a close-up of a wood-grain surface, likely a laminate or veneer. The wood grain is vertical and runs through the center of the image. There are several dark, irregular stains or marks on the surface, particularly on the left side and in the lower half. The overall color is a muted, natural wood tone.

Siris

Casuarina

150010

Poplar

150011

The image shows a close-up of a wooden surface, likely a floor or wall paneling. The wood has a vertical grain pattern with prominent, wavy, and concentric growth rings. A horizontal seam or joint is visible across the middle of the image. The color is a warm, medium-brown tone. In the top-left corner, the text "Deodar" and "150012" is printed in a dark, serif font.

Deodar

Hopea

150013

Acacia
150014

The image shows a close-up of an Acacia wood surface. The wood has a rich, warm brown color with a prominent vertical grain pattern. The texture is smooth but shows natural wood variations, including some darker spots and subtle grain irregularities. The lighting is even, highlighting the natural beauty of the wood.
