The image shows a close-up of a light-colored wood surface with a vertical grain pattern. The wood has a subtle, natural texture with some minor imperfections and variations in tone. The lighting is even, highlighting the fine details of the wood grain.

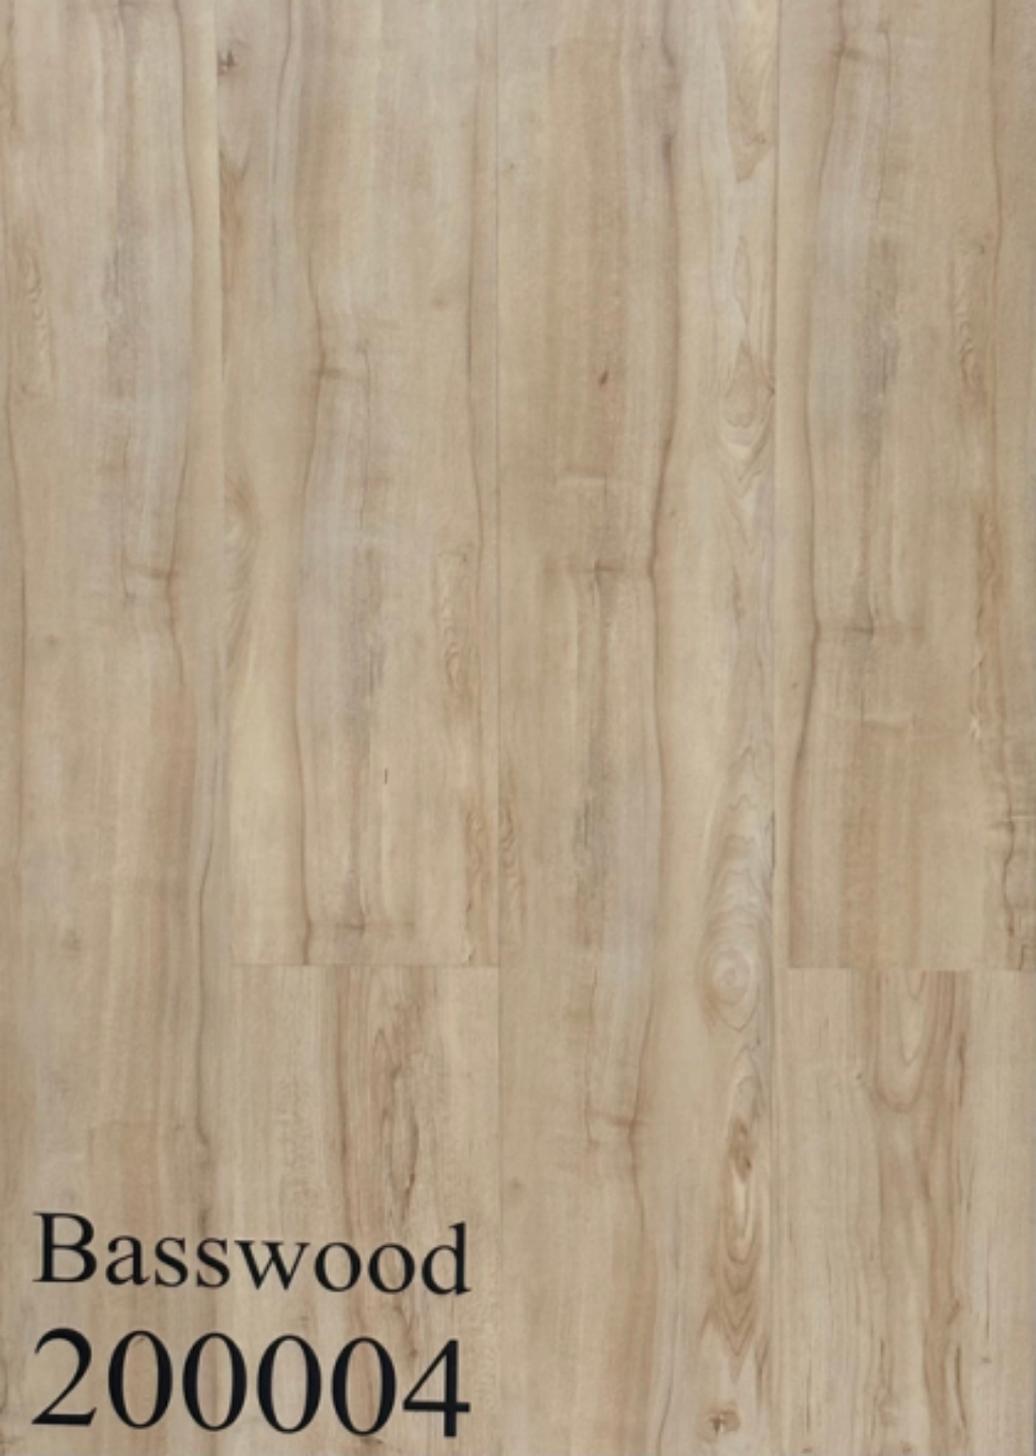

White Oak
200001

Fir
200002

A close-up photograph of a dark, weathered wood surface. The wood grain is prominent, with a large, dark knot visible in the upper right quadrant. A vertical plank of wood is positioned on the right side of the frame. The overall texture is rough and aged.

Larch
200003

A close-up photograph of Basswood wood grain, showing vertical planks with a light tan color and wavy, irregular patterns. The wood has a smooth texture and subtle variations in tone.

Basswood
200004

A close-up photograph of a light-colored wood surface, likely beech, showing a vertical grain pattern and a prominent knot. The wood has a warm, natural tone and a smooth finish. The grain is straight and consistent, with a few small knots and imperfections visible. The lighting is even, highlighting the texture and color of the wood.

Beech
200005

The image features a vertical wood grain pattern in shades of light brown and tan. The grain is characterized by wavy, vertical lines and several prominent knots, particularly on the right side. The texture is natural and organic.

**Hemlock
200006**

Vera wood
200007

A close-up photograph of a light-colored wood surface, likely a floor or wall paneling. The wood has a vertical grain pattern and a natural, slightly weathered appearance. A prominent knot is visible in the upper right quadrant. The text "Vera wood" and "200007" is overlaid in the top left corner in a black, serif font.

Sandalwood

200008

Mahogany
200009

The background of the entire image is a close-up photograph of mahogany wood. The wood grain is prominent, showing a mix of vertical and slightly wavy patterns. The color is a rich, warm brown, ranging from light tan to deep, dark chocolate tones. The texture appears smooth but with natural wood grain irregularities.

Walnut 2000 10

The background of the entire page is a close-up, vertical view of a walnut wood surface. The wood grain is prominent, showing various shades of brown from light tan to deep, dark chocolate and near-black tones. There are several knots and natural imperfections visible, adding to the organic texture. The lighting is somewhat uneven, with brighter areas in the center and darker, more shadowed areas towards the top and bottom, creating a sense of depth and highlighting the wood's natural grain patterns.

Carrara
200011

The image features a Carrara marble background with a light beige and cream color palette, accented by thin, irregular veins of brown and grey. The marble is presented in a grid of four large rectangular tiles, separated by thin, light-colored grout lines. The text 'Carrara' and '200011' is positioned in the upper-left corner in a black, classic serif font.
